

Few words about FSR'07 & FSR'09

Christian Laugier

- **Technical program issue for FSR'07**
 - 94 submitted papers
 - 42 papers accepted for oral presentations => 44%
 - 16 accepted as posters => 51% total acceptance ratio
 - No real quality difference between oral presentations and posters => all are considered as full papers
 - Selection done during the IPC meeting in Rome (during ICRA'07)
 - 2 reviews + a PC member report for each paper
- => High quality technical program, 12 technical sessions (single track), 2 poster sessions, 3 very interesting keynotes*

Few words about FSR'07 & FSR'09

- **Conference organization issue**
 - **Change of conference date for synchronization with RSS conference**
 - **75 registered participants (including 31 students)**
 - **Quite nice Conference Site & Social Program ... instead of unusual weather conditions**
 - **Many thanks to**
 - ✓ **The PC members**
 - ✓ **The Organizing Committee**
 - ✓ **FSR'07 speakers and participants**
